In June of 2012, the Donnellson Library joined the WILBOR consortium so that our patrons could download electronic books, or audio books to their various portable devices. The consortium owns downloadable audio books, and e-books. We have had about 118-180 circulations per month among our patrons for this service. The service is now called BRIDGES.

The Donnellson Library offers free programs for children throughout the year. However, all programs were suspended through much of the year due to the COVID-19 pandemic, and the limited space for social distancing in our Activity Room. We also hosted a class of Central Lee 5th graders in the Activity Room from late August to late October. We resumed outdoor kids' activities in June of 2021, with modest attendance, for our Summer Reading Program. This summer, we are again handing out activity bags for kids to do at home. We tried to re-launch teen programs this summer, but had little success.

We usually offer several programs for adults at the library, the Donnellson Book Core (a book club,) and the Writer's Bloc. The Writer's Bloc is facilitated entirely by volunteers, and is a group for aspiring authors and illustrators. The Donnellson Book Core has a volunteer secretary, and the library orders the books for the group.

The Donnellson Library has a lively group of regular volunteers who help in the Local and Family History Department, and with book covering, kids' programs, etc. We have also had extra volunteer hours this year, consisting of those people working on the Proenneke Museum, and designing and maintaining a website for Richard Proenneke, mailing out books purchased by Proenneke fans, producing two DVD's about Richard's life in Primrose and Lee County, and two Facebook pages.
